Job Title: Pharmacist

Job Type: Full-time, permanent, direct-hire role (successful candidate would be our client's employee from day one).

Job Location: Dildo, NL

Hours: The Pharmacist works a full-time schedule within the open hours of the pharmacy (estimated at 75 hours bi-weekly with some flexibility potential) - weekdays only - Monday to Friday (no evenings, no weekends). Start date is somewhat flexible - if interested, call Jenn at 905.536.0630 to discuss your timeline in detail.

This opportunity offers:

- Retail, community pharmacy that offers strong potential to provide expanded scope opportunities, and the store also offers a strong complement of front shop and OTC items to enhance service options for your patients and customers
- *MediPharmDirect estimates* the hourly rate of pay to be between \$43 - \$50 per hour (as this is *our* estimate, please note that our client may offer the successful candidate an hourly rate of pay outside of this range, based on experience and other factors) – all compensation elements will be discussed between the hiring manager and the successful candidate in detail
- Supportive environment with great hours, lots of daily direct patient care, and the opportunity to work collaboratively with your pharmacy and front shop staff (including a pool of local relief Pharmacists at your service to support vacations, etc.)
- Competitive vacation entitlement; Comprehensive group benefits program option; RSP program (matching)
- Company pays for NLPB licensing fees, PANL association fees, and professional liability insurance
- Continuing education opportunities with company approval (i.e. Expanded Scope-related training, etc.)
- Well-established corporate pharmacy location - small team to oversee on shift

MediPharmDirect Inc. has been trusted to assist another of Canada's leading pharmacy employers with their search for a Full-time, Permanent Pharmacist. This role is well-suited to a licensed Pharmacist of any level of experience, who has demonstrated leadership, organizational and customer service skills in a retail setting. New pharmacy grads are welcome to apply to be considered. Interested in learning more about who we are recruiting for? Call Jenn at 905.536.0630 for details.

Summary of Responsibilities:

The Pharmacist manages patient care and service by overseeing pharmacy operations, with accountability for people, financials, compliance, inventory and patient/customer service excellence.

Requirements for Success: *Applicants must possess the following credentials, experience and skills:*

- Minimum Bachelor-level degree in Pharmacy and Pharmacist License (NL) - in good standing (or willing to transfer existing license from another province - must be in good standing with college)
- Proven ability to work autonomously and in an organized manner, and some experience leading and develop others (team leadership, people development, motivation, delegation); Exceptional verbal and written communication skills
- Customer service mindset, attentive, organized, demonstrated collaborative approach to working with other pharmacy team members, passion for pharmacy and patient care, takes initiative, empathetic, works efficiently and accurately

How to Apply:

Please submit your confidential resume to us via email to candidates@medipharmairect.com, via our website www.medipharmairect.com, or by fax to 1.888.409.1839. There are no costs for candidates (job seekers) whatsoever to use our services and all communication is confidential. *We thank all applicants, but only those selected for interviews will be contacted immediately.*

Why apply for this opportunity via MediPharmDirect - how does the process work?

There is no cost for applicants/candidates to use our recruitment services and all communication is strictly confidential. When you apply for a job opportunity via MediPharmDirect Inc., we will discuss the role with you prior to presenting your information to our client to determine whether or not the role suits your needs on various levels. If there is a good fit between our client's requirements and your background and your career path/company culture 'likes,' then we will professionally present your information directly to the hiring manager and help manage the recruitment process. We will get you timely feedback concerning your application so you know where you stand. Thank you for your interest!
