

Pharmacy Ownership Opportunities

Atlantic Canada

Pharmacists who seek the opportunity to own and operate their own professional pharmacy using a proven business system chose The Medicine Shoppe Pharmacy. There are 200 Medicine Shoppe locations across the country and continuing to grow, making it one of the largest franchise operations in Canada, and exclusively the only Franchise Pharmacy organization of its kind in the country. Medicine Shoppe owners have the opportunity to further their scope of practice and offer cognitive services to their patients, allowing the owners the freedom to provide outstanding service and patient care.

There are ownership opportunities available in all the Atlantic Provinces. For more information, please visit the Medicine Shoppe Canada website www.medicineshoppe.ca, or contact Kamran Nisar, Director of Franchise Development directly at knisar@medicineshoppe.ca or at 902-986-2541.
