## MEMBERSHIP MATTERS

# Benefits for your practice

Health care in general and pharmacy in particular, is constantly evolving. PEIPhA helps you stay on top of these changes, and offers a variety of benefits and resources that empower you to improve medication use and advance patient care.

## Canadian Pharmacists Benefits Association

The PEI Pharmacists Association is committed to providing members with the best personal liability insurance offering available. Some members may be provided E&O insurance automatically through their employer. As a PEIPhA member, you can purchase additional complementary insurance through the Canadian Pharmacists Benefits Association to cover you for any potential coverage gaps in your primary policy. CPBA also offers a members-only webinar on personal liability insurance.

## Practice Resources and Recommended Links

The members-only section on our website offers a wealth of practice tools, resources and recommended links, including:

- PEI PharmaCheck Medication Review documentation
- Immunization resources and information, updated annually
- External links that may be of interest, including guidelines, physician search tool, drug information resources and more
- e-Training programs

## Canadian Pharmacists Association Benefits

PEIPhA is a proud Organizational Member of the Canadian Pharmacists Association (CPhA). As a result of this partnership, all PEIPhA members are CPhA Associates with access to a wide range of CPhA benefits and resources, including:

- A complimentary print subscription to the *Canadian Pharmacists Journal (CPJ)*, the voice of pharmacy practice research in Canada, plus 24/7 access to CPJ Online
- Networking opportunities, including the Primary Care Pharmacy Specialty Network (PC-PSN) and discounts on registration to the Canadian Pharmacists Conference
- Member discounts on CPhA's CPD programs, and free access to exclusive programs, pharmacy practice webinars and archives
- Additional tools and resources to support you in your practice
- National advocacy news and updates through Advocacy This Week

## QID

QID is an online community exclusively for Canadian pharmacists, technicians and students. Developed by a Halifax-based company, QID allows you to easily and securely communicate with pharmacists across the country in dozens of Communities of Practice, collaborate on difficult cases, request and share advice on best practices and easily keep pace with medical news. Plus, you'll access to a world-class decision-support tool, Clinical Access from McGraw-Hill Education. Find evidence-based answers to therapeutic questions, accredited CE, and more than 20,000 videos, algorithms, tables — all when you need them most.

## American Pharmacists Association Membership Discount

Save 50% on a membership with the American Pharmacists Association (APhA).

Your membership gives you access to a range of tools and resources, including 80+ home study programs and exclusive webinars, critical news and information through Pharmacy Today and the Journal of the American Pharmacists Association, as well as networking events and APhA's dynamic online community.

# Benefits for your life

Maintaining a healthy work-life balance is a key component of providing excellent patient care. PEIPhA is always on the lookout for new programs and opportunities to help you find and keep that balance! Visit our members-only website for specific details on how to access these amazing offers.
